Re: Russian Sanctions

EFINEA operates under the policy of ethical and legal business practices. As part of our commitment to responsible sourcing and compliance with international trade regulations, EFINEA prohibits the supply of materials sourced from restricted countries, including but not limited to Russia, where such transactions are subject to sanctions, embargoes, or trade restrictions imposed by relevant authorities.

This declaration is based upon information provided to us by our suppliers of raw materials used in the manufacture of EFINEA's products.

Sincerely,
